4.4.2 Systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc .are in place

Describe policy details of systems and procedures for maintaining and utilizing physical, academic and support facilities in not more than 100 - 200 words

Response: The work of maintaining and utilizing physical, academic and support facilities is assigned to various teachers. However, due to Covid-19 the systems established were not functional and practically not much work done for maintaining and utilizing physical, academic and support facilities.
